The flat's <sup>1</sup> \_\_\_\_\_ the 4th floor of a building <sup>2</sup> \_\_\_\_\_ Delancey Street and Grand Street. The building is <sup>3</sup> \_\_\_\_\_ a 24-hour garage and <sup>4</sup> \_\_\_\_\_ an Indian restaurant, so there are always lots of cars and people in the street. The cars are quite noisy.

It's a studio flat with only one room. My bed is on a shelf <sup>5</sup> \_\_\_\_\_ the kitchen. The toilet and shower are <sup>6</sup> \_\_\_\_\_ the shelf. In the kitchen there's a sink, a fridge, and a cooker, but there isn't a dishwasher or a washing machine – I go to the laundrette on Grand Street to wash clothes. <sup>7</sup> \_\_\_\_\_ the window, there's a red carpet on the floor and there's an armchair and table with a television on it. From the window, I can see the East River. It's <sup>8</sup> \_\_\_\_\_ the building.

**Close your eyes, Listen again**

# find words to match these definition

1. It's above the kitchen. Claire sleeps on it

2. Claire washes things in the kitchen in it

3. It's on the floor in front of the window

4. Claire sits on it to watch TV

Can you guess what it is ?

I guess it is \_\_\_\_

# *a - an, The*

Look! There's **an** ambulance and **a** police car over there.

first time we talk about sb or sth: **a, an**

She likes **dogs** and **cats**.

first time we talk about a plural noun → ~~do not use an article~~

**The** film we saw yesterday was very good.

When we know sb or sth we are talking about: **use the**

What is **the** capital city of your country?

When we talk about sth that there is only one thing.

**use a/an, the or no article in certain situations - phrases.**

He's **an** engineer and she's **a** bank manager. Their parents are **teachers**.

**5. use a/an to talk about:** → **people's jobs in singular, NOT in plural.**

This is **Anna**. She works on **Oxford Street** in **London**. She was born in **Canada**.

**6. use no article with:** → **people's names, street names, cities and most countries**

*the UK, the Republic of Ireland),  
the Netherlands*

Can we have **lunch** now? It's only **11.30** in **the** morning, but I'm hungry!

**7. use the with parts of the day,  
use No article with days, times, meals,**

*in the morning  
in the afternoon  
in the evening (at night).*

**Complete sentences with *a, an, the* - (no article).**

- 1. \_\_\_\_\_ restaurants in my town are very good.**
- 2. I'm having \_\_ party on \_\_ Saturday for my birthday.**
- 3. He comes from \_\_\_\_\_ Chile, but now he lives in \_\_\_\_\_ U.S.A.**
- 4. Look at \_\_\_\_\_ sun behind \_\_\_\_\_ trees over there. It's beautiful!**

# Just listen to what **Claire** say about part of New York where she lives.

lift = elevator

subway = metro/underground/Tube (London only)

4.6 )))

It's very difficult to find <sup>1</sup> \_\_\_\_\_ (a/an) flat in <sup>2</sup> \_\_\_\_\_ (the/-) New York. I'm very lucky. I like my flat because it's in <sup>3</sup> \_\_\_\_\_ (the/-) centre of the city. There are <sup>4</sup> \_\_\_\_\_ (the/-) shops and restaurants all around me. The Lower East Side isn't the best district in the city but my flat is near a theatre and it's also near <sup>5</sup> \_\_\_\_\_ (the/-) East River and <sup>6</sup> \_\_\_\_\_ (the/a) small park. One of the things I don't like about my flat is that there isn't <sup>7</sup> \_\_\_\_\_ (a/the) lift. Also, unfortunately I'm not near <sup>8</sup> \_\_\_\_\_ (a/the) underground station, but there's <sup>9</sup> \_\_\_\_\_ (a/the) bus stop opposite <sup>10</sup> \_\_\_\_\_ (a/the) door of my building.
